Family Services

Program Goal: Bring individuals, agencies, and organizations together to develop principles in community safety and crime prevention in communities where families we serve live.

- Advocate for public work initiatives in neighborhoods where eligible families live.
- Remove barriers to public park use.
- Encourage parents to participate in community pride initiatives.

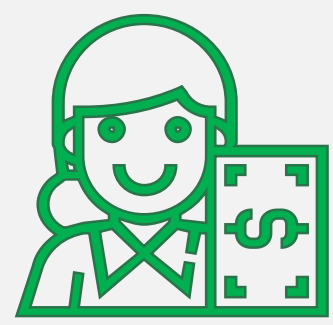

- Needs:**
- Homelessness
 - Crime
 - No help or not enough help

Economy & Employment

- Needs:**
- Not enough childcare
 - Youth activities that are not sports related
 - Local area is stagnant

Program Goal: Build effective partnerships between workforce and housing resources in Tehama County that create economic self-sufficiency and a high quality of life for families that we serve.

- Connect families seeking employment to resources to create a more qualified workforce.
- Increase availability of no-cost or affordable full day child care for working families.
- Improve community awareness on homelessness in Tehama County.
- Reduce barriers to stable employment and housing.
