#### Report on the Financial Statements

We have audited the accompanying financial statements of Northern California Child Development, Inc. (the Organization) which are comprised of the statement of activities as of June 30, 2018, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### NORTHERN CALIFORNIA CHILD DEVELOPMENT, INC. CHILD CARE PROGRAMS NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2018

#### 1. ORGANIZATION

General

Northern California Child Development, Inc., (the Organization) is a nonprofit corporation organized in 1966 under the laws of the State of California. The primary purpose of the Organization is to develop and maintain a series of child development programs and sponsor various activities designed to encourage parent participation in the functions of the Organization. The Organization's child care programs are funded through the California Department of Education (CDE). Whereas the Organization's fiscal year end is August 31, the CDE child care programs presented in this report have a fiscal year-end of June 30, 2018.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Organization prepares its financial statements in accordance with generally accepted accounting principles (GAAP) promulgated in the United States of America. The significant accounting and reporting policies used by the Organization are described below to enhance the usefulness and understandability of the financial statements.

#### Financial Statement Presentation

The financial statements are presented based on ASC Topic 958, *Not-for-Profit Entities*. ASC Topic 958, Sections 210 and 225 requires classification of the Organization's net assets, revenues as well as expenses based on the existence or absence of donor-imposed restrictions. The statement requires presentation of the amounts for each of the three classes of net assets – permanently restricted, temporarily restricted, and unrestricted – in the statement of financial position and the amounts of change in each of those classes of net assets in the statement of activities.

#### Accrual Basis

The accounting records of the Organization are maintained on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

#### Government Revenue

Government revenue is recognized when the qualifying costs are incurred for cost-reimbursement grants or contracts or when a unit of service is provided for performance grants. Government revenue from federal agencies is subject to independent audit under the Uniform Guidance and review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grant or reductions of future grant funds. Based on prior experience, the Organization's management believes that costs ultimately disallowed, if any, would not materially affect the financial position of the Organization.

#### NORTHERN CALIFORNIA CHILD DEVELOPMENT, INC. CHILD CARE PROGRAMS NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2018

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Concentration of Revenue Sources

During the year ended June 30, 2018, the Organization had two major revenue funding sources for the child care program-specific report, the California Department of Education and Head Start, which accounted for approximately 99% of the total revenue of the CDE programs.

#### Revenue Recognition

Contributions and unconditional grants are recognized as support and revenues when they are received or unconditionally pledged. These contributions are shown as restricted support and revenues if they are subject to time or donor restrictions. Temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions when a stipulated time restriction ends, purpose restriction is accomplished, or both. However, temporarily restricted contributions and grants are reported as unrestricted support and revenues if the restriction is met in the same year that the gift is received. Conditional contributions are not recorded as support and revenues until the conditions are met. Payments classified as exchange transactions (reciprocal transfers between two entities in which goods and services of equal value is exchanged) are not recorded as other support and revenue until allowable expenditures are incurred.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, net assets, and revenues and expenses for the reporting period. Actual results could differ from those estimates.

#### NORTHERN CALIFORNIA CHILD DEVELOPMENT, INC. CHILD CARE PROGRAMS NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2018

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Allocation of Expenses

The organization follows the simplified allocation method for shared (indirect cost) as described in Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The Cost Allocation Plan is reviewed annually and approved by the Board of Directors as part of the Organization's Fiscal Policies and Procedures. The Cost Allocation plan is reviewed by the Organization's auditors for compliance with applicable laws and regulations. The written cost allocation plan is on file in the organization's main accounting office.

The organization's costs are classified as either Direct or Indirect. Direct costs are those that can be identified with a particular final cost objective, i.e. an award, project, service or other direct program activity of the organization. The organization applies following methods for allocating costs:

<u>Direct Costs</u>: Costs identified 100 percent to a specific program are charged directly to that program.

<u>Shared Direct Costs</u>: Costs identified to specific multiple programs or activities are shared between the programs benefited.

- Payroll costs are allocated using individual time sheets that report the actual time spent by employees in each program each day.
- Occupancy costs are allocated using the square footage of building space occupied by each program.
- Supply costs are allocated per full-time equivalent employees.

<u>Indirect Costs:</u> Costs that either benefit more than one award or that are necessary for the overall operation of the organization. Indirect costs are allocated based on direct salaries charged to each function.

#### 3. OPERATING TRANSFERS

Operating transfers represent the utilization of unrestricted funds or the Head Start awards to cover program operating deficits and other transfers or restrictions deemed necessary by the Board of Directors.

#### NORTHERN CALIFORNIA CHILD DEVELOPMENT, INC. CHILD CARE PROGRAMS NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2018 (CONTINUED)

#### 4. STATE CHILD DEVELOPMENT RESERVES

Child development contractors with the California Department of Education (CDE) are allowed, with prior CDE approval, to maintain a reserve account from earned but unexpended child development contract funds for three types of programs: Center Based, Resource and Referral, and Alternative Payment. Transfers from a reserve account are considered restricted income for child development programs, but may be applied to any of the contracts that are eligible to contribute to that particular program type.

The Organization maintains one reserve account for Center Based, and funds are deposited into an interest bearing account. At June 30, 2018 the reserve account balance was \$654.

#### 5. NUTRITION PROGRAMS

The Organization had one nutrition agreement with CDE for Child and Adult Care Food Programs, as reported in the *Schedule of Expenditures of Federal and State Awards*. However, no nutrition audit report schedules are included in the audit because (1) the audit disclosed no nutrition overpayments, underpayments, or program findings; (2) the Organization did not request reimbursement of audit costs; and (3) the audit is not a program-specific nutrition audit.

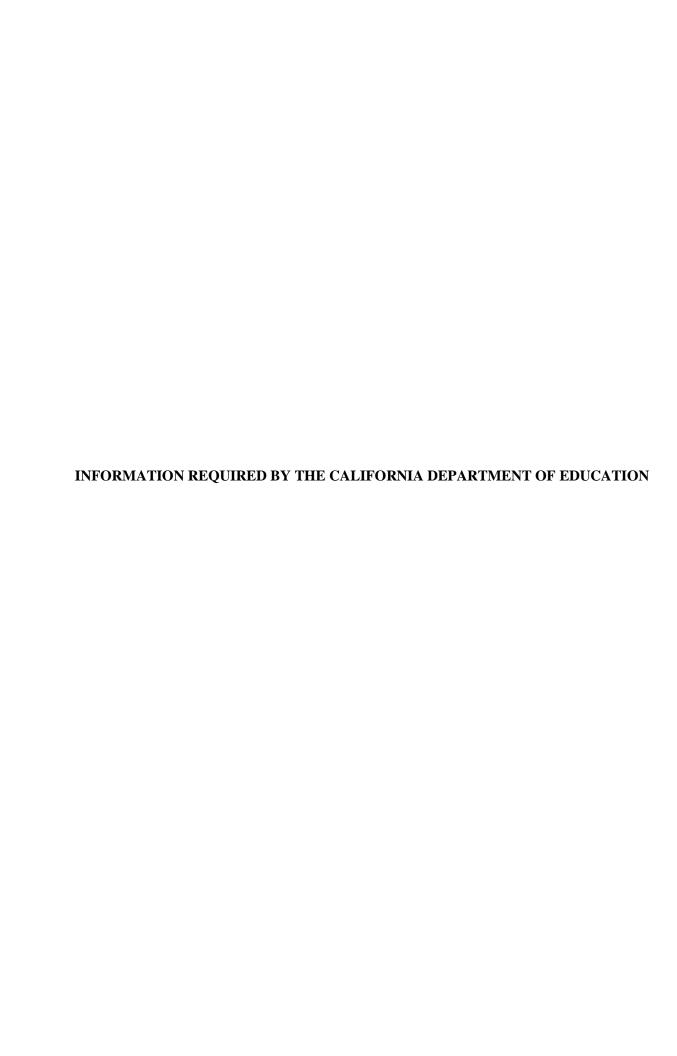

#### 6. CONTINGENCIES

Grant awards require the fulfillment of certain conditions as set forth in the instruments of grant. Failure to fulfill the conditions could result in the return of the funds to the grantors.

The Organization deems this contingency remote since by accepting the grants and their terms it has accommodated the objectives of the organization to the provisions of the grants. The Organization's management is of the opinion that the organization has complied with the terms of all grants.

#### 7. SUBSEQUENT EVENTS

The Organization has evaluated events subsequent to June 30, 2018, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through November 9, 2018, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Northern California Child Development, Inc. (the Organization) Red Bluff, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Northern California Child Development, Inc., which comprise of the statement of activities as of June 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated November 9, 2018.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Northern California Child Development, Inc. internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Northern California Child Development, Inc. internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Northern California Child Development, Inc. financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
