Hello Families:

Our school year is going by sooo fast. This month we will be learning about construction. The children will get to have a hands on experience with construction during our Home Depot field trip.

Make sure you have registered your child

for kindergarten. Contact the school if you have not yet registered your child.

March 20 is our Reptile Party. Please remember that this event is for our Red Bluff Inclusion children. If siblings do attend they will have an opportunity to be involved but our classroom children have first priority at the interactions.

Your child MUST be picked up on time. This is a Head Start and licensing policy.

Spring Break

Our spring break is coming up and we want to make sure you are aware of the dates the children will have no school. April 6 to April 10 is our spring break. Due to our parent meeting falling on the Wednesday we are on spring break, we will reschedule to the following week. We will send out a notice to remind everyone.

Curriculum Corner:

In this month of March we will be focusing on the theme of Construction. We will be reviewing the Numbers 23, 24, 25 & 26. Shapes Rectangle, square, tri-

angle diamond. The Letters are U, V, W & X. The Colors are gray, black, green & blue. If you can work on these things with your children at home as

well that would be great!

Please fill out the reading logs weekly and turn them in to your teacher. Our Read-A-Thon ends March 20.

Important Dates:

- March 6: No school
- March 11: Parent meeting
- March 19: Policy Council
- March 20: No school, Reptile party, Read-A-Thon ends.
- March 26: Field trip to Home Depot
